In the words and thoughts of Elvis himself,
He wanted people to know
Feeling through,
and true.

Â'I feel so alone sometimes
The night is quiet for me
I would love to be able to sleep
IÂ'm glad everyone is gone now
I will properly not rest tonight
I have no need for all of this
Help me Lord
Please just help me LordÂ'

Elvis Presley, Elvis

There by the face of God
Maoris de Vries
All for 274 artists, all but including Elvis himself
Farrow Design.
The greatest thing that Elvis himself desired.

Elvis, Elvis Presley.
