Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

Your the greatest grandma, on this we all agree
your always making nice thing to eat, and loads of
cups of teas.
Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

ThereÂ's no one quite like grandma, least not like
grandma Joan,
you always find time for each of us and never moan or
groan! (much)
Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

Your a really special grandma, of that there is no
doubt,
we would phone you more often but your always out
and about!
Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

You are the coolest grandma , you know just were its
AT!!!
and now that you are eighty your neither old or fat!
Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

Your a very lucky grandma we really have to say not
just for winning bingo but for
having us all here today.
Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

ThereÂ's no one quite like grandma
this we can justly say
and so we sing this special song to make your perfect
day
Â'Grandma we love you grandma we do.
When ever we are far away we always think of you.Â'

Â‘Grandma we love you grandma we do. When ever we
are far away we always think
of you.Â’
