Oh Joanne ooh-be-do, I think Im in love with you
Joanne ooh-be-do, I think Im in love with you
Joanne ooh-be-do, I think Im in love with you

Joanne, Joanne oh with your eyes so blue
Joanne, Joanne, I've had a crush on you
Joanne, Joanne, I thought you loved me so

Oh when we walked, you always held my hand
And when we talked you really understand
Joanne, Joanne, I thought you loved me so
You're my queen and I'm in heaven every time I look at
you
When you smile it's like a dream (come true)
I thought I was lucky, finding someone like you

Joanne, Jonnane, avec tes yeux si bleus
Joanne, Jonnane, Quand j'ai peche' pour deux
Joanne, Jonnane, Pour un baiser d'eternite
Joanne, Joanne, Je suis folle de toi
Joanne, Joanne, Pour un baiser d'eternite
Joanne, Joanne, with your eyes so blue

Oh Joanne ooh-be-do, I think Im in love with you
Joanne ooh-be-do, I think Im in love with you
Joanne, Joanne, I had a crush on you
