Mad Vs Deal With It

Its mad its mad  
(I thought I was wrong  
And you were right )  
To be liking some one else  
When you are liking me and  
(I was willing to sacrifice )  
But you know as well as I do  
I don't want to be with anyone else but you  
(I am a man  
And not a boy)  
But you know as well as I do  
I don't want to be with anyone else but you  
(There are just something's)  
But you know as well as I do  
I don't want to be with anyone else but you  
But you know as well as I do  
I don't want to be with anyone else but you  
(There are just something's)

All the time . . . All my life  
All the time . . . All my life  
All the time . . . All my life  
That's the way  
That's the way  
That's the way

Its mad its mad  
(I thought I was wrong  
And you were right )  
To be liking some one else  
When you are liking me and  
(I was willing to sacrifice )  
But you know as well as I do  
I don't want to be with anyone else but you  
(I am a man  
And not a boy)  
But you know as well as I do  
I don't want to be with anyone else but you  
(There are just something's)  
But you know as well as I do

I don't want to be with anyone else but you  
But you know as well as I do  
I don't want to be with anyone else but you
