All the time Iâ€™ve been mssinu
I thought Iâ€™ll get a chance by kissinu
Maybe now today and properly not tomorrow
All I know is that Iâ€™ve been missinu

People who usually get together
Usually end up fallin apart
No matter what the type of weather
I just want you here by my side
People who think I can and will not dance
Never ever have a chance
A chance to be with someone like me
They donâ€™t know what they are missin
All the time Iâ€™ve been mssinu
I thought Iâ€™ll get a chance by kissinu
Maybe now today and properly not tomorrow
All I know is that Iâ€™ve been missinu.
Missinu
Missinu (Kissinu)
Missinu (Wishinu)
Missinu (Disinu)
