More Time (part one)

What is the point of the songs that I sing  
And why do I feel the pain that I am in  
I want to move on, but I don't know the way  
And people keep telling me things I should say

Cause I just want more time  
To appreciate why  
Why im in the situation that I'm in  
I want to know how, I need to know when  
When will I ever get to see you again  
I just want more time, that's all I do ask  
I just want more time

I want to believe that everything's fine  
But the matter of fact I just want her to be mine

Cause I just want more time  
To appreciate why  
Why im in the situation that I'm in  
I want to know how, I need to know when  
When will I ever get to see you again  
Iv got to move on, but I just don't know where to begin  
I just want more time, that's all I do ask  
I just want more time

(â€¦to be cont)
