My sweet tooth
Ohh my teeth
Mmm my teeth

I really want to eat it,
I really want a lolly pop,
Really want some chocolate, but it hurts my teeth to
much.
My sweet tooth
Ohh my teeth
Mmn my teeth

I really can not stand this,
I really need to loose some weight,
Really want to share it, but IÂ'm jus that shellfish.
My sweet tooth
Ohh my teeth
My sweet tooth.

I really need a dentist,
I really need a dentist,
I really want to see my teeth, but thats too much to ask.
My teeth
My sweet teeth
Ohh my tooth
WhereÂ's my teeth
I really need my teeth back.
