Brettell Version

She was backstage  
couldn't believe the luck I was in  
I saw her approach  
With a most approachable grin  
When she said Hello  
I was surprised she spoke so politely  
I said I liked your show  
Well she just smiled  
I assumed this happened nightly  
And so, I fell in luv

We went to her room  
She had a video camera  
I was O so nervous  
I had to try so hard not to stammer  
She said  
Im glad you liked the show  
That crowd was dope out there  
That night, alright  
You wanna see some more?  
Well be my guest  
You can have a private performance.

I didn't ask why  
Though she seemed so nice  
I was just a regular guy  
She said we could be  
'Secret Lovers'  
Just her and me  
Then she joked  
Hey Man, your name isn't Dan is it?  
We should be together  
And she was passionate  
I guess I could rate her a nine out of ten  
By then, I'd fallen in luv  
When I asked, why have I seen so much  
Of her friend called Marge  
With phobia's and stuff  
She just shrugged

Next morning we woke  
I couldn't of been a nicer bloke  
Over breakfast telling jokes  
About Dre, his homies and folks  
Neither of asked if or when we would see each other  
again  
But I thought that was cool  
Cause I was already late for school  
By then. I'd fallen in luv  
This was the day I'd fallen in luv
