Nobody said she was easy  
It's such a shame she is seen in this way  
Everyone knows she is easy  
No one ever said it would be this hard  
(Oh) to have her here in my arms

The clothes that she is wearin'  
The make-up she's usein'  
Pulling the boys as they come

The questions I'm askin'  
The answers I'm findin'  
Will I get a chance with this girl

She told me she loved me  
Came back and held me  
"Oh, When do you want me to start"

Runnin' after her  
Smellin' her perfume  
Gettin' together as one

Nobody said she was easy  
It's such a shame she is seen in this way  
Everyone knows she is easy  
Easier to pull than an exit door  
I'm going back for some more.
