Ahahahah

Ugly Rita, just got laid

Ugly Rita, just got laid

Ugly Rita, just got laid

Nothing can come between her

When it gets light, she takes your heart away

Standing by, an ugly Rita

when you cant eat your pittia

Filling in the gaps with as much as you could

In a club, she seems much older

A handbag on her shoulder

Some how looks like a nasty man

Ugly Rita, just got laid

How was it for you I ask discreetly

Â'What do you mean you wont drink tea with me?Â' so
she said.

RITA

You take her out

She tried to feed ya

Moments left, you ate her dinner

donÂ't tell her you want to see her again

Need some pills?

Because of Rita

Took her home, you really hate it

Sitting in her bedroom

With a thought for two

Ohh

Ugly Rita, just got laid

Where had she been without you

Giving a wink and that this song werenÂ't true

Sexy Rita, Rita Hey

Sexy Rita, Rita Hey

But (instead) Ugly Rita, just got laid

Ugly Rita, just got laid

Ugly Rita, just got laid
