On the wind  
Summer's leaving  
It found me grieving  
Living on my own thinking of you  
Thinking of you

In the sand  
By Rainbow River  
My love did shiver till the fire and I warmed her again  
Want you again  
And I need you all through the night

Ah hold back the Winter Indian Summer  
I'm not sure if I can take the snow  
In mid December I can't help but wonder  
How will I ever last till the coldness goes

Baby I miss you all through the day

Ah hold back the Winter Indian Summer  
I'm not sure if I can take the snow

In mid December I can't help but wonder  
How will I ever last till the coldness goes

You don't know what it's like  
You don't know what it's like  
To love somebody  
To love somebody  
The way I love you

Ah You don't know what it's like  
You don't know what it's like  
To love somebody  
To love somebody  
The way I love you

To love somebody  
To love somebody  
The way I love you

To love somebody

To love somebody  
The way I love you
