I never thought that I would feel this way
All I ever wanted was for love to stay

Baby hold me tight
Look into my eyes
Love has died
I know that this ain't right
I came to say goodbye
For the very last time

I never thought that I would feel this way
I'm still looking for the words to say
All I ever wanted was for love to stay

Right here in my arms, but you know

You know I'm not gonna be that strong
You know I can't keep on holding on and on

To what's gone, and now

You've been here loving me
Unselfishly
Willingly
I'll keep the memory, inside
But baby I've come down to my goodbye

My heart is filled with pain
Don't wanna play this game anymore, no no
Honey can't you see
You gotta set me free
'Cause I don't love you like before, no no

You know I hate to say it but you got me wrong
We've been going through with this for far too long
I know you got to thinkin' that you might belong

Right here in my arms, but you know

This time I'm not hangin' on to hope
This time I'm not gonna be the ghost

That haunts you home

You've been here loving me
Unselfishly
Willingly
I'll keep the memory, inside
But baby I've come down to my goodbye

You've been here loving me
Unselfishly
Willingly
I'll keep the memory, inside
But baby I've come down to my goodbye

You've been here loving me
Unselfishly
Willingly
I'll keep the memory, inside
But baby I've come down to my goodbye
