Where You go I go
What You say I say
And what You pray I pray
And what You pray I pray

Where You go I go
What You say I say
And what You pray I pray
And what You pray I pray

Where You go I go
What You say I say God
And what You pray I pray

Cause Jesus only did what He saw You do
And He would only say what He heard You speak
And He would only move when He felt You lead
Following Your heart following Your spirit

So How could I expect to walk without You
When every move that Jesus made was in surrender
I will not begin to live without You
For You alone are worthy and You are always good

Where You go I go
What You say I say God
And what You pray I pray
And what You pray I pray

Where You go I go
What You say I say God
And what You pray I pray
And what You pray I pray

So How could I expect to walk without You
When every move that Jesus made was in surrender
I will not begin to live without You
For You alone are worthy and You are always good
You are always good

La, la, la, la
Oh, the beauty of Your name will be seen upon my

face, Oh, God
La la la la
Oh, the glory of Your name will be seen upon our face,
Oh, God

Though the world sees and soon forgets
We will not forget who You are and what You've done
for us
And what You've done for us
And Though the world sees and soon forgets
We will not forget what You've done for us

La la la la
La la la

Where You go I go
What You say I say God
And what You pray I pray
And what You pray I pray

Where You go I go
What You say I say God
And what You pray I pray
And what You pray I pray

Where You go I go
What You say I say God
And what You pray I pray
And what You pray I pray

I will follow You yeah,
In this desert life, I will follow You
Whatever comes my way
Through every situation, I will follow You
To the unknown, to the unsaved
Give me a heart of no compromise
