to really love a woman  
to understand her  
you gotta know deep inside  
hear every thought  
see every dream  
n'give her wings  
when she wants to fly  
then when you find yourself lyin' helpless in her arms

(Chorus):

ya know ya really love a woman  
when you love a woman you tell her that she's really  
wanted  
when you love a woman you tell her that she's the one  
cuz she needs somebody to tell her that it's gonna last  
forever (chorus 1)  
that you'll always be together (chorus 2)  
so tell me have a ever really  
really really ever loved a woman?

to really love a woman

let her hold you  
til ya know how she needs to be touched  
you've gotta breathe her  
really taste her  
til you can feel her in your blood  
n'when you can see your unborn children in her eyes

(Chorus)

you got to give her some faith  
hold her tight  
a little tenderness  
gotta treat her tight  
she will be there for you,takin' good care of you  
ya really gotta love your woman...
