I hear the wind,
Call your name,
It calls me back home again,
Sparks out the fire,
Flame that still burns,
Oh it's to you,
I will always return,

Yea,
Still feel your breath on my skin,
I hear your voice deep within,
Sound of my lover feelin' so strong,
Oh, it's to you I will always belong,

Now I know it's true,
My every road leads to you,
And in the hour of darkness, darlin',
Your life gets me through,
Wanna swim in your river,
Be warmed by your sun,
Bathe in your waters 'cause you are the one!

Can't stand the distance,
Can't dream alone,
I can't wait to see you 'cause I'm on my way home,
I'm on my way,
Oh I hear the wind call your name,
A sound that leads me home again,
It sparks out the fire,
A flame that still burns,
Oh it's to you I will always return,

Wanna swim in your river,
Be warmed by your sun,
Bathe in your waters,
'Cause you are the one!
Can't stand the distance,
Can't dream alone,
I can't wait to see you,
'Cause I'm on my way home,

Oh I hear the wind,

Call your name,
A sound that leads me home again,
Sparks out the fire,
Flame that still burns,
Yea i am on my way,
I will always return,
Yes i will always return,

I've seen every sunset,
And with all that i've lerned,
Oh its to you i will always,
Always,
Return
