"Never Let Go"

Can you lay your life down, so a stranger can live?
Can you take what you need, but take less than you
give?
Could you close every day, without the glory and fame?
Could you hold your head high, when no one knows
your name?
That's how legends are made, at least that's what they
say.

We say goodbye, but never let go.
We live, we die, cause you can't save every soul.
Gotta take every chance to, show that you're the kinda
man who;
Will never look back, never look down,
and never let go.

Can you lose everything, you ever had planned?
Can you sit down again, and play another hand?
Could you risk everything, for the chance of being
alone?
Under pressure find the grace, or would you come
undone?
That's how legends are made, at least that's what they
say?

We say goodbye, but never let go.
We live, we die, cause you can't save every soul.
Gotta take every chance to, show that you're the kinda
man who;
Will never look back, never look down,

and never let go.

...::Never let go, Never let go, Never let go::...

Gotta take every chance to, show that you're the kinda
man who;
Will never look back, never look down,
and never let go.

We say goodbye, but never let go.
We live, we die, 'but you can't save every soul.

Gotta take every chance to, show that you're the kinda
man who;
Will never look back, never look down,
and never let go.

Will never look back, never look down,
and never let go.

....:Never let go:....
