Still feels like our first night together, feels like the first
kiss

And it's gettin' better baby, no one can better this
Still holdin' on, you're still the one
The first time our eyes met, same feelin' I get
Only feels more stronger, wanna love ya longer
You still turn the fire on

So if you're feelin' lonely don't
You're the only one I ever want
I only wanna make it good
So if I love ya a little more than I should

Please forgive me, I know not what I do
Please forgive me, I can't stop lovin' you
Don't deny me, this pain I'm goin' through
Please forgive me, if I need you like I do
Please believe me, every word I say is true
Please forgive me, I can't stop lovin' you

Still feels like our best times are together, feels like the
first touch
Still gettin' closer baby, can't get close enough
Still holdin' on, you're still number one
I remember the smell of your skin, I remember
everything
I remember all your moves, I remember you yeah
I remember the nights, you know I still do

So if you're feelin' lonely don't
You're the only one I ever want
I only wanna make it good
So if I love ya a little more than I should

Please forgive me, I know not what I do
Please forgive me, I can't stop lovin' you
Don't deny me this pain I'm goin' through
Please forgive me, if I need you like I do
Oh believe me, every word I say is true
Please forgive me, I can't stop lovin' you

The one thing I'm sure of is the way we made love

The one thing I depend on is for us to stay strong
With every word and every breath I'm prayin'
That's why I'm sayin'

Please forgive me, I know not what I do
Please forgive me, I can't stop lovin' you
Don't deny me this pain I'm goin' through
Please forgive me, if I need you like I do
Babe believe me, every word I say is true
Please forgive me, if I can't stop lovin' you
Never leave me, I don't know what I'd do
Please forgive me, I can't stop lovin' you
Can't stop lovin' you
