"When You Love Someone"

when you love someone - you'll do anything
you'll do all the crazy things that you can't explain
you'll shoot the moon - put out the sun
when you love someone

you'll deny the truth - believe a lie
there'll be times that you'll believe you can really fly
but you're lonely nights - have just begun
when you love someone

when you love someone - you'll feel it deep inside
and nothin else can ever change your mind

when you want someone - when you need someone
when you love someone...

when you love someone - you'll sacrifice
you'd give it everything you got and you won't think
twice
you'd risk it all - no matter what may come
when you love someone
you'll shoot the moon - put out the sun
when you love someone
