I've been wandering around the house all night
Wondering what the hell to do
I'm trying to concentrate but all I can think of is you
Well the phone don't ring cause my friends ain't home
I'm tired of being all alone
Got the tv on cause the radio's playing songs that
reminds me of you

Baby when you're gone, I realize that I'm in love
The days go on and on, and the nights just seem so
long
Even food don't taste that good, drink ain't doing what
it should
Things just feel so wrong, baby when you're gone

I've been driving up and down these streets
Trying to find somewhere to go
Yeah, I'm looking for a familiar face but there's no one I
know
This is torture, this is pain, it feels like I'm gonna go
insane
I hope you're coming back real soon, cause I don't
know what to do
