"More Of You And Less Of Me"

There's nothing like your presence here in this place,
There's nothing like your passion that steals my heart
away.

And there is nothing like your glory falling on me, more
of you and less of me.

(Repeat 1X)

Cause I'm satisfied by you alone,
Just one touch from you oh Lord
Reach within my heart and make it new
Oh I must have more of you
(Repeat 1X)

(Instrumental)

Cause I'm satisfied by you alone,
Just one touch from you oh Lord
Reach within my heart and make it new
Oh I must have more of you
