Ain't nothin' wrong tonight cause I (cause I)  
Feel like singing cause I found my baby  
She's everything that I like  
Makes music to my life  
She makin' my body dance  
I'm givin' it one more chance

Tell you the things my heart's been feelin'  
Everything my love's revealing  
And I want it  
And I need it  
And I'm really  
Gonna give it  
Can you feel it  
Cause I'm ready

Another love  
Wanna tell the world everything I'm feeling  
Another love  
Got a lot to give now I got somebody  
Another love  
I do appreciate her and you know I'm willing  
Another love  
To do anything for her my baby baby girl

Can't wait till this dance is over yeah (over)  
And we break it down to somethin' slower  
When I get you home tonight like  
Teddy said turn out the lights  
I'm gonna make everything alright

I'm flyin' high each moment with you  
Cause there's no one else I'd rather choose  
Cause I want it  
And I need it  
And I'm really  
Gonna give it  
Can you feel it  
Cause I'm ready

Another love

Wanna tell the world everything I'm feeling  
Another love  
Got a lot to give now I got somebody  
Another love  
I do appreciate her and you know I'm willing  
Another love  
To do anything for her my baby baby girl

Another love  
(Love love love love love love)  
Another love

Another love  
Yeah

Another love  
Wanna tell the world everything I'm feeling  
Another love  
Got a lot to give now I got somebody  
Another love  
I do appreciate her and you know I'm willing  
Another love  
To do anything for her my baby baby girl  
[repeat until fade]
