Please don't ask me again
How I'm doin' (no, no)
I don't want to offend
Or hurt your feelings (no, no)

We don't need to talk it out (no)
We don't need to fuss and shout (no)
I really don't want to (I really don't want to)
I really don't want to, no
So you need to take the hint (yeah)
Before your energy gets spent (yeah)
I'm tryin' to help you
So let's just let it go

I thought by now
You would know what I'm thinking
By lookin' in my eyes
Can't you read my mind
Baby I
I don't feel like speaking
Can't you figure me out (can't you figure me out)
Don't you know me by now
Don't you know me by now

I can't play those games
That make you feel better
You gotta get it together
You need to much attention
And I don't have any for ya
I don't have any for ya

We don't need to talk it out (no)
We don't need to fuss and shout (no)
I really don't want to (I really don't want to)
I really don't want to, no
So you need to take the hint (yeah)
Before your energy gets spent (yeah)
I'm tryin' to help you
So let's just let it go

I thought by now

You would know what I'm thinking
By lookin' in my eyes
Can't you read my mind
Baby I
I don't feel like speaking
Can't you figure me out (can't you figure me out)
Don't you know me by now
Don't you know me by now

[Piano solo]

I thought by now
You would know what I'm thinking
By lookin' in my eyes
Can't you read my mind
Baby I
I don't feel like speaking
Can't you figure me out (can't you figure me out)
Don't you know me by now
Don't you know me by now
[x2]

You should know me by now
Don't you know me by now
Yeah...
Ohhh...
