Oh yeah  
Oh yeah  
Mmm...  
Oohh... baby  
Oohh  
Oh baby

It's Friday night and I just got paid  
There's not much else to say  
I've only got one thing on my mind  
The weekend is finally here  
I'm makin' it crystal clear  
We're gonna have a real good time (oh yeah)

Forget your worries (don't worry)  
And throw all your inhibitions to the side  
I promise you I won't waist your time  
Forget your cares (your cares)  
Throw your hands up in the air because tonight  
Everything's gonna be alright

Everybody's movin'  
Everybody's groovin'  
Couldn't wait to get you out on the floor  
Everybody's smilin'  
Everybody's stylin'  
Couldn't wait to get you out on the floor

This is the only life for me  
At the spot in the VIP  
We're touchin' and it feels so right (oh yeah)  
Steppin' here and steppin' there  
Runnin' my fingers thru your hair  
Goin' till the morning light

Forget your worries (don't worry)  
And throw all your inhibitions to the side  
I promise you I won't waist your time  
Forget your cares (your cares)  
Throw your hands up in the air because tonight  
Everything's gonna be alright

Everybody's movin'  
Everybody's groovin'  
Couldn't wait to get you out on the floor  
Everybody's smilin'  
Everybody's stylin'  
Couldn't wait to get you out on the floor  
[x2]

We're steppin' step step step (c'mon and step with me)  
We're steppin' step step step (c'mon and step with me)  
We're steppin' step step (to the left) step (to the right,  
c'mon)  
We're steppin' step step step (hey hey)

We're steppin'  
We're steppin' step step step  
We're steppin' step step step

Everybody's movin'  
Everybody's groovin'  
Couldn't wait to get you out on the floor  
Everybody's smilin'  
Everybody's stylin'  
Couldn't wait to get you out on the floor  
[x2]

C'mon step c'mon step  
C'mon and step with me, step  
To the left  
To the right  
Spin around  
Girl, ohhhh
