### "Skies Wide Open"

Visit "[Skies Wide Open](#)" on [MotoLyrics.com](http://MotoLyrics.com)

This song is for you baby  
La da da, la da da  
Oh yeah

When the sun shines on your face  
Everyday is a beautiful day  
When the waves rushing in  
And the view from the bay  
When the birds sing their song  
And the wind hums along (hums along)  
It's all about the love you give  
Baby you're so positive

And I can't explain it babe  
You're makin' me crazy yeah  
I can't go a day without you  
You got my skies wide open

For you and me to walk right into eternity  
The beauty of love it rains down over me  
I never felt like this (no)  
Never thought this ever would exist  
There's somethin' about your love baby  
It's got my skies wide open

The stars align in your presence  
Baby girl it's a beautiful thang  
And everything that you do (you do)  
Feel like the earth move  
And you don't never have to worry  
'Bout another ever tryin' to take your place yeah  
There's no excuse  
I'll be a fool  
For you to walk out of my life  
Trust me I ain't wit' it baby

It's hard to explain it (it's hard to explain it)  
You makin' me crazy yeah (ooh)  
I can't go a day without you  
You got my skies wide open baby

For you and me to walk right into eternity  
The beauty of love it rains down over me  
I never felt like this (no)  
Never thought this ever would exist  
There's somethin' about your love baby  
It's got my skies wide open

You're more than a song  
Melody or a tone  
And I can go on and on and on and on and on  
The way that you love me  
Is more than I want  
As long as my world keeps spinning baby  
You will be in it (oh girl)

For you and me to walk right into eternity  
The beauty of love it rains down over me  
I never felt like this (no)  
Never thought this ever would exist  
There's somethin' about your love baby  
It's got my skies wide open  
[x2]

Skies wide open  
Skies wide open  
It's got my skies wide open  
Skies wide open  
Skies wide open  
It's got my skies wide open  
Skies wide open  
Skies wide open  
It's got my skies wide open  
Skies wide open
