If the good Lords willin and the creek don't rise  
I drop my tailgate a little later at night  
Pop the top off a cold one turn the radio on low  
Let what's left of this work week wind down slow

With my baby layin next to me  
In the bed of my old truck  
With nothin on the dome light  
Wrapped up tight  
And just maybe if we're lucky  
Friday night will turn into a Saturday mornin sunrise  
With just me and my baby

It's four o'clock I got a hour left to go  
And I'm still pulling a heavy heavy load  
When I finally clock out all the boss mans gunna see  
Is my elbows and my tail light glow  
Cuz the only place I wanna be

With my baby layin next to me  
In the bed of my old truck  
With nothing on the dome light  
Wrapped up tight  
And just maybe if we're lucky  
Friday night will turn into a Saturday mornin sunrise  
With just me and my baby

With my baby layin next to me  
In the bed of my old truck  
With nothing on the dome light  
Wrapped up tight  
And just maybe if we're lucky  
Friday night will turn into a Saturday mornin sunrise

With my baby layin next to me  
In the bed of my old truck  
With nothing on the dome light  
Wrapped up tight  
And just maybe if we're lucky  
Friday night will turn into a Saturday mornin sunrise  
With just me and my baby

With my baby  
Ohhhh me and my baby  
Yeah me and my baby
