Had all he could stand, Standin all day
A whole lotta work for a little bitta pay
4:59, Punchin that clock
Both back wheels slingin' parking lot rocks

Til the highway is a two-lane
Then a dirt road, and you hit the breaks
And hear everybody say...

Pull up a tailgate, Time to get unwound
Truck-Bed, Beer in the back ya'll iced down
The only thing we own around here is the weekend. Pull
out the six strings and the shine drinks and hang on
tight to your
Sweet thing. It's another paycheck party out in the
country - So pull up a tailgate

Ain't nobody's mamas leavin' porch lights lit
We ain't doin' nothin' Mom and Daddy ain't did. It's a
hundred acre party in a forty acre field. For us around
here, that's
A real big deal.

Pull up a tailgate, Time to get unwound
Truck-bed, beer in the back, ya'll iced down
The only thing we own around here is the weekend. So
pull out the six strings and the shine drinks and hang
on tight to our
Sweet things. It's another paycheck party out in the
county - So pull up a tailgate.

I ain't talkin' bout a Monday, Tuesday, Wednesday,
Thursday kinda thing. I'm talkin' bout a Friday,
Saturday throw down til
The weekend's gone kinda party.

Pull up a tailgate, Time to get unwound
Truck-bed, beer in the back, ya'll iced down
The only thing we own around here is the weekend. So
pull out the six strings and the shine drinks and hang
on tight to our
Sweet things. It's another paycheck party out in the

county - So pull up a tailgate.
