My Chevrolet ain't never missed a mud hole,  
'Back in Black' still blaring on my radio,  
Cash my check on Friday and I let it roll  
Monday mornin I wake up and I'm dead broke,  
Got mama sayin 'son settle down',  
But why should I grow up now,

Chorus:

I like to go all night,  
Sleep all day,  
The older I get the harder I play,  
I need the redneck girls,  
And the party crowd,  
Got the rest of my life to settle down,  
So why should I grow up now,

I've been known to call in sick on a Monday,  
Drink some beer while I'm fishin off of my tailgate,  
Boss man says he's gonna fire me one of these days,  
I don't really like my job anyway the way,  
I see it I got it figured out,  
So tell me why should I grow up now,

Chorus

I'm still too young to turn a good time down,  
So why should I grow up now,

Chorus

Tell me why should I grow up now  
Tell me why should I grow up now
