Talkin' funny and lookin' funny
And talkin' 'bout 'Nobody Loves Me'
You make yourself look bad

Help me somebody

You need to take a good look at yourself
And see if you're the kind of person
That God wants you to be
It's no big thing, it's a small thing
What people think

Help me somebody

There's no escape from Him
He's so high you can't get over Him
He's so low you can't get under Him
He's so wide you can't get around Him

If you make your bed in Heaven He's there
If you make your bed in Hell, He's there
He's everywhere

Help me somebody, help me somebody
