Do you hear voices?  
You do, so you are possessed  
You are a believer, born again  
And yet you hear voices and you are possessed  
Okay, are you ready to give us a listen?

Put your hand over there  
[Incomprehensible]  
Okay sister, you have a Jezebel spirit within you?  
You have a spirit of grief  
You have a spirit of destruction

Jezebel, spirit of destruction, spirit of grief  
I bind you with chains of iron  
I bind you out of that bounded heaven  
Loosen your hold and come out of her now

It's no good our sister, out, out, Jezebel  
Come out now, go ahead, out in the name of Jesus  
Come out destruction, come out destruction  
Come out grief

Jezebel, you are going to listen to me, Jezebel  
Go ahead sister, keep going, Jezebel will abandon you  
She was intended by God to be a virtuous woman

You have no right to her  
Her husband is the head of the house  
Out Jezebel. out, out, let Jesus in

That's right, I break your power Jezebel  
Loosen your hold on her mind  
Go ahead sister, go ahead sister  
Use your head [Incomprehensible]  
That was easy  
[Incomprehensible]
