hey June
why did you touch the majic lover?
hey June
why did you touch the majic flame

(chorus)
because I've travel far and wide
to be there right by your side
although your tears have all dried I'm still lonesome for
you

hey june
well did you find another lover
hey june
well did you find another flame

(chorus)

June you hurt me real bad, and thats why I'm hear
today to let you know that nomatter where you go or
who you see I will always have a place for you deep
inside my wicked little heart. So tell all your silly friends
that heaven has shined a rainbow apon the two of us,
asking that we transend into the beutiful electric sky
and there reside in a top level apartment thus over
looking the white puffy clouds of eternity
