la la la la la la lalala

I wanna see you when you lay in the sun
I wanna hear you when you lie to your mom
what could I do with a child just like you
you're on the run
and well I'm 31

when I want some truth it just falls right out of you
cuz your so damn young
and well I'm 31

mirror on the wall
who's the whitest of all?
it starts with you and the hearts you've been through
but you're on the run
and you're dying of fun
your 21 and well I'm 31

what could I do I just run right after you
cuz you're so damn young and well I'm 31
