So keep the home fires burning
And I'll stoke this fire in my chest
I've read your stories sweetheart
And I fear there's one chapter left
I know the ending baby
I've wrote it down inside my head
And reds the ink shade darling

And when I've said forever
I've never been so wrong

And when the prologues written
And all the words have dried
I'll tie the loose ends tightly
And burn this book inside my mind
Right now the dreams grow scary
Black out are thought of better times
"I'm heading home now baby" is how the note was
signed

So keep the home fires burning
And I'll stoke this fire in my chest
I've read your stories sweetheart
I know the ending baby
I've wrote it down inside my head
And reds the ink shade darling

The words you've wrote I've read
And I've heard the words you've said
Carved the path I was lead
With lies that I was fed
So for now it's all pretend
Just till we meet again

"I'm coming home soon, I'm coming home real soon"

I'm coming home
I'm coming home
I'm coming home
I'm coming home
I'm coming
