Woah, woah, woah,
Woah, woah
Oh yeah, oh,
B. Harvey
Baby you know that
I can't stop thinking
About the night we had
When you and me
Made time stand still
I need to know now
If you felt the same way
If I would come back
To your door then
Would you let me in?
(And I)
Don't know what
You're doing to me
(It was)
So good and
It tasted so sweet
(And I)
Just know that
I can't let it be
Baby you know that
You're the only one for me

But I need to know
If I got it all wrong
Should we leave it like it is
Or do you wanna go on?

(Yeah)
Straight up, no bends,
Can we do it again?
If you think about it, baby
There's no need to pretend
'Cause it felt so good and
It can't be wrong
We've been
Keeping it a secret
Baby far too long
Straight up, no bends,

Do we have to pretend?
If you think about it baby,
You don't want it to end
If it feels like love
Then it can't be wrong
Don't go making this a problem,
Don't go dropping bombs
(Yeah, yeah)

And now your girls say
You've started thinking
You wanna keep your
Independence and options
Too
It doesn't figure
(No)
I don't believe that
The things we said then
Didn't mean a
Single thing to you
(Am I)
Too strung out to
See what you see
(Was I)
All wrong when
I thought it could be
(Is it)
So easy to
Set yourself free?
Baby stop playin' me
Like a fool,
Oh can't you see?
That I need to know if
I got it all wrong
Should we leave it like it is
Or do you wanna go on?
(Yeah, yeah, yeah, yeah)

Straight up, no bends,
Can we do it again?
If you think about it,
Baby there's no
Need to pretend
'Cause it felt so good
And it can't be wrong
We've been
Keeping it a secret
Baby far too long
(Yeah, yeah, yeah, yeah)
Straight up, no bends,
Do we have to pretend

If you think about it baby
(Think about it now)
You don't want it to end
If it feels like love
Then it can't be wrong
Don't go making this a problem,
Don't go dropping bombs

Baby, you gotta let me know
If you feel the same way
Then let it show
You know that I'm just
Waiting for your call
Oh baby
I can't give you up
Got a good thing going
So please don't stop
You know it's the real thing
So baby,
Please give me the word

Yeah straight up
(Yeah)
No bends,
Can we do it again?
If you think about it, baby
There's no need to pretend
'Cause it felt so good and
It can't be wrong
We've been
Keeping it a secret
Baby far too long
(Keeping it a secret)
Straight up, no bends,
Do we have to pretend
If you think about it baby
You don't want it to end
If it feels like love
Then it can't be wrong
Don't go making this a problem
(Oh)
Don't go dropping bombs

Straight up, no bends,
Can we do it again?
If you think about it,
Baby there's no need
To pretend (oh)
'Cause it felt so good
And it can't be wrong
(Can't be wrong)

We've been
Keeping it a secret
Baby far too long
Straight up, no bends
(No no no)
Do we have to pretend?
If you think about it baby,
You don't want it to end
If it feels like love
Then it can't be wrong
Don't go making this a problem
(Oh, oh, oh)
Don't go dropping bombs
