Dilly Dally  
Silly Silly Sally

Oh Oh Oh

Don't Dilly Dally Sally  
You know I'm stuck on you  
Well, Susie's not so choosy  
And Ella needs a fella  
And she's got her eyes on me

Don't Dilly Dally Sally  
You know I'm stuck on you

Well, Susie's not so choosy  
And Ella needs a fella  
And she's got her eyes on me

You're not the only girl  
Oh Gosh No  
Under all the skies above  
Boy come to think of it girl  
I really must admit  
You're the only one that I love
