Barf! Look at my face  
I'm all sucked up,  
I think I'll sleep all day.  
I get the spins when my eyes are shut  
I hate feeling this way.

Flush!  
All the puke I'm throwing up!  
in the toilet this sucks!  
not a part of growing up!  
only spoils it.

Life is boring,same old story,  
get drunk throw up, sleep all day.  
I am something, I'm not nothing  
I cant let myself decay.

How did I get into my bed?  
I dont remember anything  
How did I get this bump on my head?  
It could have come from anything.

Flush!  
All the puke I'm throwing up!  
in the toilet this sucks!  
not apart of growing up!  
only spoils it.

Life is boring, same old story  
get drunk throw up sleep all day,  
I am something, I'm not nothing,  
I cant let myself decay.

Tell me no gossip I dont wanna know.

Jimmy got caught  
smelling like beer

by his mom and his dad  
He's grounded for a year.  
Lisa got popped she got a DUI  
she cussed out the cops

she's lucky she's alive.

Tell me no gossip I dont wanna know.

Pedro got jumped  
He's always starting fights  
every time he gets drunk  
it happens all the time.  
Reggie OD'd  
from slammin heroin  
He's not a dope fiend  
he was trying to fit in.

Take me away please oh know, life blows.

Flush!  
All the puke I'm throwing up!  
in the toilet this sucks!  
not a part of growing up!  
only spoils it Flush!  
All the puke I'm throwing up!  
In the toilet this sucks!  
not a part of growing up!  
only spoils it.

Life is boring same old story  
get drunk throw up sleep all day  
I am something I'm not nothing  
I can't let myself decay.

come on, get up, let's change!  
come on, get up, let's change!  
come on, get up, let's change!  
come on, get up, let's change!
