Let's make
A hit
We'll be
So rich and famous
We'll have
It all
We'll be
Everyone's favorite
No way
I won't
Sell out for more money
Kill me
I'd rather die
It took us
Ten years
To build our fan base
I quit
I can't
I won't live a lie
This is goodbye

Loyalty
Has all been thrown away
Where did all the Loyalty go?
Where did it go?

Ok
I've quit
What now?
Do I sit in Church and pray?
No way
Not me
I've got to try and change things
Without failing
I'm not crazy
I just want to help
Our gift of life we forget quick
Teenage abortion
It's so sick
We give these kids a choice to kill
Then they hate themselves because we gave them free
will

But God loves them still

Please don't lie

Or kill

It's making me I'll

Please just don't LIE

Just don't KILL

Please can't you stop it's making me I'll

Isn't it

Time for us

To be real?

World love

Bring it back

Bring me love
