My hell
Another day in life
Which way will I go?
Will I pick suicide?
How do I say no?
The demons are calling me
"Just one more line"
Voices echoing in my head
These thoughts aren't mine
Chop it Snort it The kid? Ignore it
Life sucks
I'm over it

Save me from myself
Can't quit
I tried it
Your love?
Denied it
Can't fake it
I hate it
Please help me
God
Save me from myself
I'm beggin you
God
Save me from my hell

Chillin in my own gutter
I've sunk so low
I want to be a good father, but
Here the voices go
Chop it Snort it The kid? Ignore it
Life sucks
I'm over it

Wake up Wasted
Get up Wasted
Go out Wasted
Come home So Wasted
Play shows Wasted
Pimp hoes Wasted
Life blows I'm Wasted

No more living Wasted!

Drug use I kicked it
Abuse I kicked it
I'm through I kicked it
I won't kill myself
Depression I kicked it
Suicide I kicked it
Telling lies I kicked it
I won't kill myself

Father! Thank You
Father! I live for You now!
Oh my God I live For You now
