I know you've tried
To satisfy
Your appetite
For too long
You wonder why
You are alive
You've lived a lie
For too long
So now you're done
Life isn't fun
Anymore
What's this life for?

These are not
Only words to a song
Come to me
You're forgiven now
You're washed by Blood
From deep inside
You're not a prisoner of your old life
Washed by Blood
A brand new start
It's time that I rebuild your heart

I paid your price
I sacrificed
My human life
All for you
Come to the light
You will shine bright
You'll never die
That's the truth
Cuz I have sworn
You'll be reborn
If you choose
What's there to lose?

Wash away
All the pain
With the blood
No more shame
Understand

Who you are
And what your life is
For

I am Taking over from now on
You can't escape don't even try to run
I can't just sit and watch you die no more
You will begin to learn what life is for
I've
Chosen this Time
To change your Mind
So you will Find Your Way Back Home
Where you belong
Your heart of Stone
Will start to Feel Love From Now On
True
Live for me and you will see your life will be so worry
free
Say goodbye to your old life give me a try
Be Alive
There shall be no more Death Nor
Sorrow Nor Crying
There shall be no more pain
For the former things have passed away
You're washed by Blood
From deep inside
You're not a prisoner of your old life

Come fly away With me
You know I love you
