A voice from the ancient's
From way back in time
A gift from the sages
The melody fine
We've come here to alter
There's nothing to fear
Our waiting is over...
The good times are here

You're sleeping of late
You stay up all night
And going to church screaming
Ain't turning out right
It's building an army
I wish you was here
Cause we're taking over

Our Time is here
Our time is here

Grab all the children
(Inaudible)
Cause we're taking over
We're finally free
There's no to change it
Cause this is our year
And we're gonna live forever

It's finally here
It's finally clear

Gather the children
And family near
And spread the goodness
It's finally here
The wisdom of ancients
The god of all time
He's finally found you
It's gonna be fine
(Inaudible)

It's gonna be ok.

It's gonna be fine. (4x)

It's gonna be ok (2x)

It's gonna be fine (4x)
