Don't ask me how I'm doing now  
Don't look at me that way  
Don't tell what you meant to say  
When you meant to call  
Don't look at me that way

Don't ask me if I'm on my own  
When I know you know I am  
Don't tell me that you thought of me  
Only yesterday  
Don't look at me that way

Don't look at me  
Don't talk to me  
Like you never broke my heart  
Don't look at me  
Don't bother me  
Just let me go

Don't tell me where you're living now  
When you know I'd love to know  
Don't ask me if I'd like a drink just for  
Old time's sake  
Don't look at me that way?

Don't look at me  
Don't talk to me  
Like you don't know what I mean  
Don't look at me  
Don't bother me  
Just let me go

Don't ask me how I'm doing now  
Don't look at me that way  
Don't tell me what you meant to say  
When you meant to call  
Don't look at me that way  
Don't look at me that way  
Don't look at me that way?
