Music & Lyrics: Brian Kennedy

Every song is a cry for love
Every voice can rise above
So don't be afraid
Just show what you're made of
Sing it out. Every Song is a cry for love

Every day is a brand new start
Every night you could fall apart
Any time you doubt
The truth that's in your heart
Sing it out. Every song is a cry for love

Chorus

Being strong, being tough
Never tender always rough
It was never enough for me
In the dead of the night
Only love can old you tight
Sing it out. Every song is a cry for love

Every kiss is a call for home
Every touch means you're not alone
You don't always have
To make it on your own
Sing it out. Every song is a cry for love

Chorus

Being strong, being tough
Never tender always rough
It was never enough for me
In the dead of the night
Only love can old you tight
Sing it out. Every song is a cry for love
Sing it out. Every song is a cry for love
Sing it out. Every song is a cry for love
