There's a place in my mind where
I know, where I go
When it all becomes too much
The words keep returning and
Burning me down

If you love me?(say so)
If you trust me (let go)
Is the answer safe in my heart?
Were you thinking (of me)?
When I was feeling (lonely)
Is the answer still safe in my heart?

Where's the time to be brave
When the world's come apart
While the road ahead's still clear
I can't seem to find what I'm
Wanting to hear

If you love me?(say so)
If you trust me (let go)
Is the answer safe in my heart?
Were you thinking (of me)?
When I was feeling (lonely)
Is the answer still safe in my heart?

I need a million questions answered
While everybody else is dancing
How many times
Have I wasted chances?

If you love me?(say so)
If you trust me (let go)
Is the answer safe in my heart?
Were you thinking (of me)?
When I was feeling (lonely)
Is the answer still safe in my heart?
