Will you walk with me  
Through this world  
And never let me down, oh listen now  
Can you hear a sound  
Look what we have found  
Another day ends peacefully

Oh  
Now tell me  
Is this the way it's gonna stay

Oh  
Don't let go again  
It's your life  
Love  
Your happiness

When you sleep tonight  
Will you dream  
About a brighter life, oh it's gonna last  
And we hope for more  
But my heart is so unsure  
Another day is

Over  
So tell me  
Is this the way it's meant to be

Oh  
Don't let go again  
'Cause it's for life  
Love  
And happiness I'm thinking of  
No  
Don't give up again  
'Cause it's your life  
Love  
And happiness

Don't go  
I'm remembering

The time of joy  
And of love

Oh  
Don't let go again  
'Cause it's for life  
Love  
And happiness I'm thinking of  
No?  
Don't give up again  
Cause it's your life  
Your love  
Your happiness

And we hope for more  
My heart is so unsure  
Will you walk with me  
And never let me down
