Now that I know what I want I'm gonna get it
Now that I know what you need I'm gonna give it to you
Now that I know where I'm going I'm gonna get there
Now that I know what I want do you want it too now, do
ya ?

I'm gonna give you my love and I wanna be loved by
you
Yeah I'm gonna give you my love and I'm ready to be
loved by you
Yeah I'm gonna give you my love, give you my love
Do you want to be loved by me too ?

Now that I know what I want I'm gonna get it
Now that I know what you need I'm gonna give it to you.

How many times have I found myself alone with my
head in my hands oh
And how many nights have I lost myself waiting oh
waiting, waiting for you
Yeah I'm gonna give you my love, give you my love? do
you want to be loved by me too?

Now that I know what I want I'm gonna get it
Now that I know what you need I'm gonna give it to you
Now that I know where I'm going I'm gonna get there
Now that I know what I want do you want it too now do
ya?
Do you want it too now do ya?
Do you want it too now do ya?
