Every night I make a promise to  
Myself then break it  
There you are, without a word you  
Reach my heart and take it  
How long will I keep living in the past  
Now I know that some things should  
Never last

So what if it rains  
I don't care if it falls forever  
Whatever it takes to get  
Back home again  
I'll be back home again

Everyday I'd see lovers in the  
Street just talking  
I'd turn away because it hurt too  
Much so I'd keep walking  
But now I'm stronger and I'm not  
Waiting for your call  
No I'm not broken I'm just shaken  
From the fall

So what if it rains  
I don't care if it falls forever  
Whatever it takes to get  
Back home again

Ah, there used to be a time when  
I would pray we'd never go wrong  
But now that you belong to  
Yesterday the feeling is gone

So what if it rains  
I don't care if it falls forever  
Whatever it takes to get  
Back home again  
So what if it rains  
I don't care if it falls forever  
Whatever it takes to get  
Back home again

Every night I make a promise to  
Myself then break it
