Hey pussycat  
What's going down

Whatever happened to saturday night  
When you dressed up sharp and you felt all right  
It don't seem the same since cosmic light  
Came into my life, I thought I was divine, wo wo

I used to go for a ride with a chick who'd go  
And listen to the music on the radio  
A saxophone was blowing on a rock'n'roll show  
We climbed in the back seat, and really had a good  
time

Hot patootie, bless my soul, I really love that rock and  
roll  
Hot patootie, bless my soul, I really love that rock and  
roll

My head was swimming from the perfume I smelled  
My hands kind of fumbled with her white plastic belt  
I'd taste her baby pink lipstick and that's when I'd melt  
She'd whisper in my ear tonight she really was mine

Get back in front, put some hair oil on  
Buddy Holly was singing his very last song (bop sho  
wop)  
With your arms around your girl you'd try to sing along  
(bop sho wop)  
It felt pretty good (bop sho wop) because you'd really  
had a good time

Hot patootie, bless my soul (yeah yeah) I really love  
that rock and roll (rock and roll)  
Hot patootie, bless my soul, I really love that rock and  
roll  
Hot patootie, bless my soul (I really love) I really love  
that rock and roll  
Hot patootie, bless my soul, I really love that rock and  
roll

Hey

Hot patootie, bless my soul, I really love that rock and roll

Hot patootie, bless my soul, I really love that  
Hot patootie, bless my soul (I really love) I really love  
that rock and roll

Hot patootie, bless my soul, I really love that (yeah  
yeah yeah)

Hot patootie, bless my soul, I really love that rock and  
roll (I really love that)

Hot patootie, bless my soul, I really love that rock and  
roll

Hot patootie, bless my soul, I really love that rock and  
rock and rock and roll

Hot patootie!
