So many reasons to be thankful
And so many blessings that I can't repay
And I never would've made it here without You
Sending angels to guide me on my way

You keep givin' me joy
You keep givin' me happiness
You keep givin' me hope
You keep givin' me everything I wish

You keep givin' holding me up
When I'm about to fall
And if even all of that was not enough
You keep givin' me love
(You're givin', You're givin' me love)

Now I know that I'm not always easy
And I know I put You through some trying days
But in spite of all the worries that I gave You
No, You never let my Angels get away

You keep givin' me joy
You keep givin' me happiness
You keep givin' me hope
You keep givin' me everything I wish

You keep holding me up
When I'm about to fall
And if even all of that was not enough
You keep givin' me love

And have I told You lately
(Have I told You)
How Your love has saved me?
It takes me to a place I've only dreamed
I'm so thankful, Lord, for sending me angels

You keep givin' me joy
You keep givin' me happiness
You keep givin' me hope
You keep givin' me everything I wish

You keep holding me up
When I'm about to fall
And if even all of that was not enough

You keep givin' me joy
You keep givin' me happiness
You keep givin' me hope
You keep givin' me everything I wish

You keep holding me up
When I'm about to fall
And if even all of that was not enough

You send angels to guide me from up above
You just keep givin' me
You just keep givin' me love

You're givin' me, givin' me, givin' me
(How can I thank You?)
You're givin' me, givin' me, givin' me
(How can I thank you, Lord?)
You're givin' me, givin' me, givin' me
([Incomprehensible])

You're givin' me, givin' me, givin' me
(How can I thank You, Lord?)
You're givin' me, givin' me, givin' me
(You're the One who's blessed me with everything)

You keep givin' love
You keep givin' love
You keep givin' love
You keep givin' love

You keep givin' love
You keep givin' love

You're givin' me, givin' me, givin' me
You're givin' me, givin' me, givin' me
You're givin' me, givin' me, givin' me
You're givin' me, givin' me, givin' me
