Oh, fish got a swim, sword by the fire
Man in the mirror, woman in the desire
Can't help lovin' dat man of mine
Oh, bless and the great, beauty or the beat
Living on my own, and what he really needs
Can't help lovin' dat man of mine

Together and forever, believe and relieve
Out of time, can't you see
Oh, wrong in and right, long on the short
Oh, listen sister, you, oh, listen brother
Can't help lovin' dat man of mine

Hmm, forever, believe and relieve
Out of this time, can't I see me
And, oh, the sun will shine, the star will fine
Like a town will be, like a clown will be
Can't help loving
Can't help loving is still of mine
