An amazing feeling coming through

I Wish I was in Carrickfergus  
Where the castle looks out to sea  
I would swim over the deepest ocean  
For my love to be with me

But the sea is wide and I cannot swim over  
Nor have I the wings to fly  
I wish I had a handsome boatman  
To ferry me over, my love and I

I wanna Carrickfergus  
I just can't live without you  
I wanna Carrickfergus, Carrickfergus, Carrickfergus  
Born to Carrickfergus  
Born to Carrickfergus  
Love, love, love  
Born to Carrickfergus  
Born to Carrickfergus  
To be together, my love and I  
Ah, to be back now in Carrickfergus  
To be together, my love and I

Hey, hey  
Hey, hey  
To be together, my love and I  
I wish I was in Carrickfergus  
To be together, my love and I
