Welcome to my world

Power, fight, death

Come play with me
Hahahahaha
I'm waiting

I play their fantasy and I live their pain
My heart and soul locked up in a cold steel frame
A strange creature's crawling and it's calling out my
name
I don't want to, I don't need to, but I must fight again
(Let me out)
(Set me free)

Calling out for the cyborg, gonna rub you out
Time is up for the cyborg, you'll never get out
Bah! You're nothing but a cyborg

Cyborg

Cyborg, it's your time

I'll make it back there baby, just you watch me try
(one more try, one more try)
We'll fly again into the deep blue sky
I feel a hunger baby, cyborg feels no shame
Lord I have to, Lord I need to win this wicked game

Come step to me

Calling out for the cyborg, gonna rub you out
Time is up for the cyborg, you'll never get out
Calling out for the cyborg, gonna put your light out
Bah! You're nothing but a cyborg, you'll never get out

I'm gonna erase your file
